

REGIONS OF THE 13 COLONIES

Regions of the 13 Colonies

Left side of the Journal

The map shows the 13 colonies divided into three regions: New England (top), Mid-Atlantic (middle), and Southern (bottom). Major cities like Boston, New York, Philadelphia, and Charleston are marked. A legend in the bottom left identifies the regions with colored circles: blue for New England, green for Mid-Atlantic, and red for Southern.

On the Right side

The map is identical to the one on the left. A red arrow points from the text "On the Right side" to the map. To the right of the map is a two-column table with three rows. The first row has headers "Region" and "Characteristics". The second row has "New England" in the first column and is empty in the second. The third and fourth rows are empty in both columns.
